KEMNAL ROAD IS WELL MAINTAINED?

THE CONDITION OF KEMNAL ROAD

- Some comments:
- Tatty verges
- Uneven footpath surfaces
- People sometimes have to walk in the road
- I'm very proud to live in such a well looked-after road

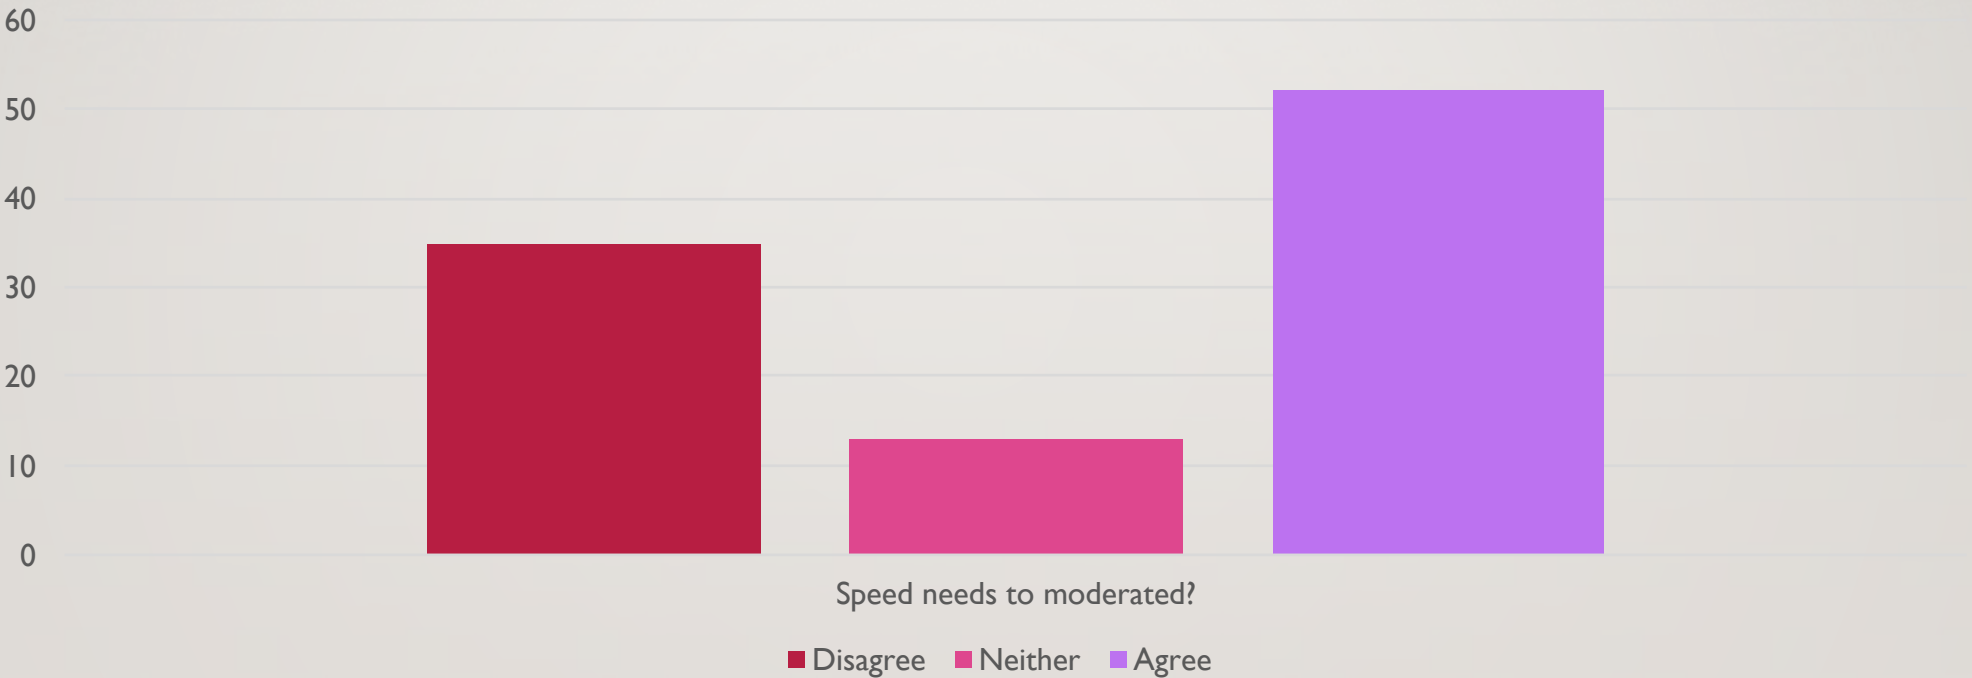

TRAFFIC ON KEMNAL ROAD

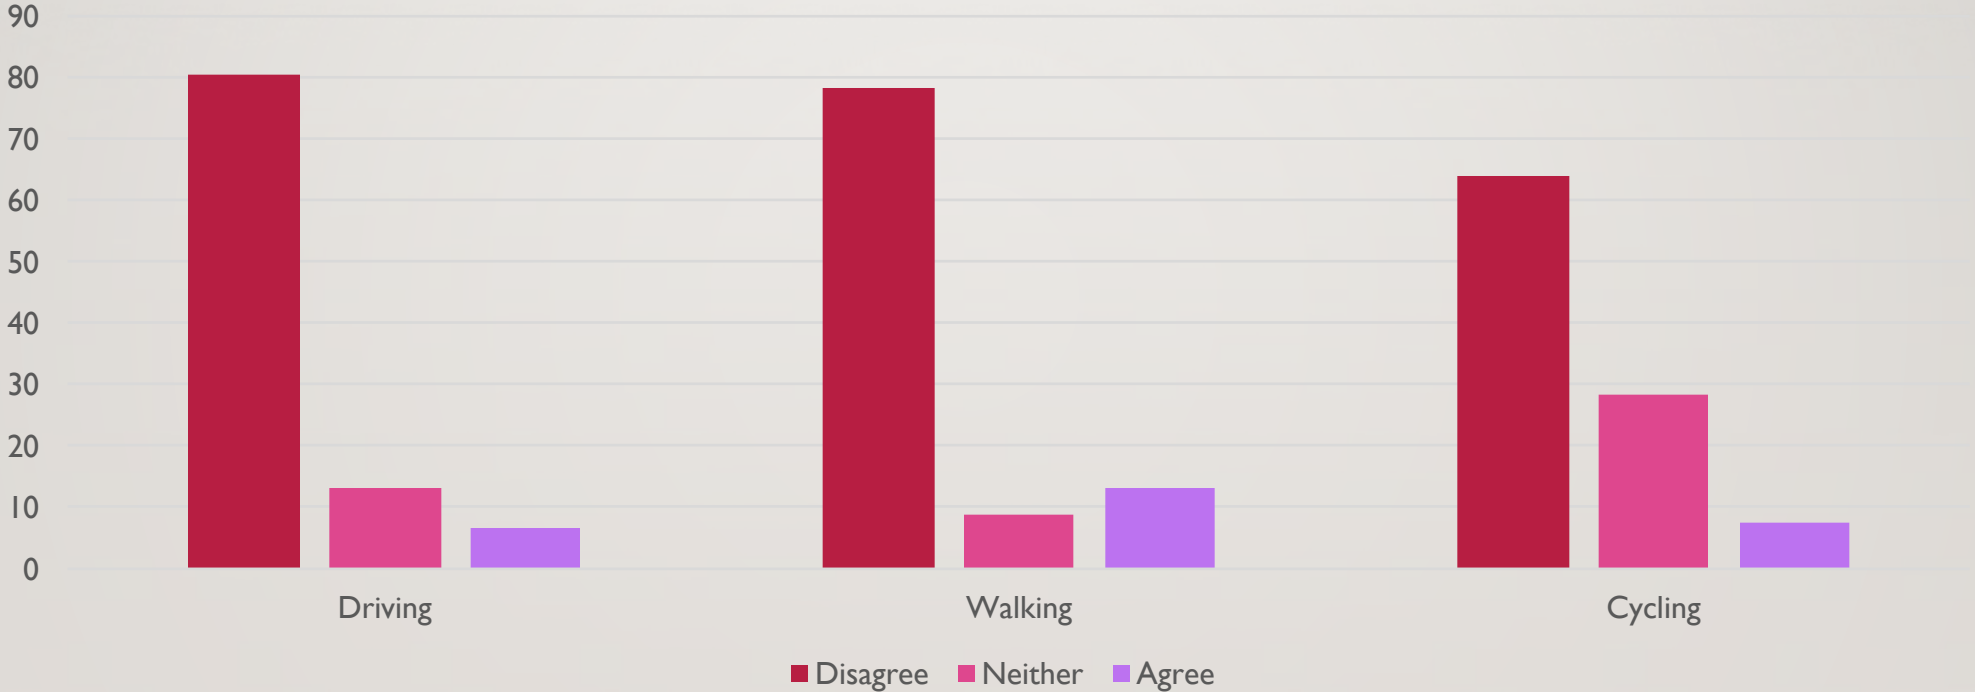

TRAFFIC ON KEMNAL ROAD

- Some comments:
- Traffic far too fast at times.
- It's only a silly few who drive very fast...
- Speed bumps are unnecessary – traffic calming better
- Street parking sometimes too close to junctions.
- Too many people who have ample drive space leave cars on road

NEW TRAFFIC CALMING NEAR DICKENS DRIVE?

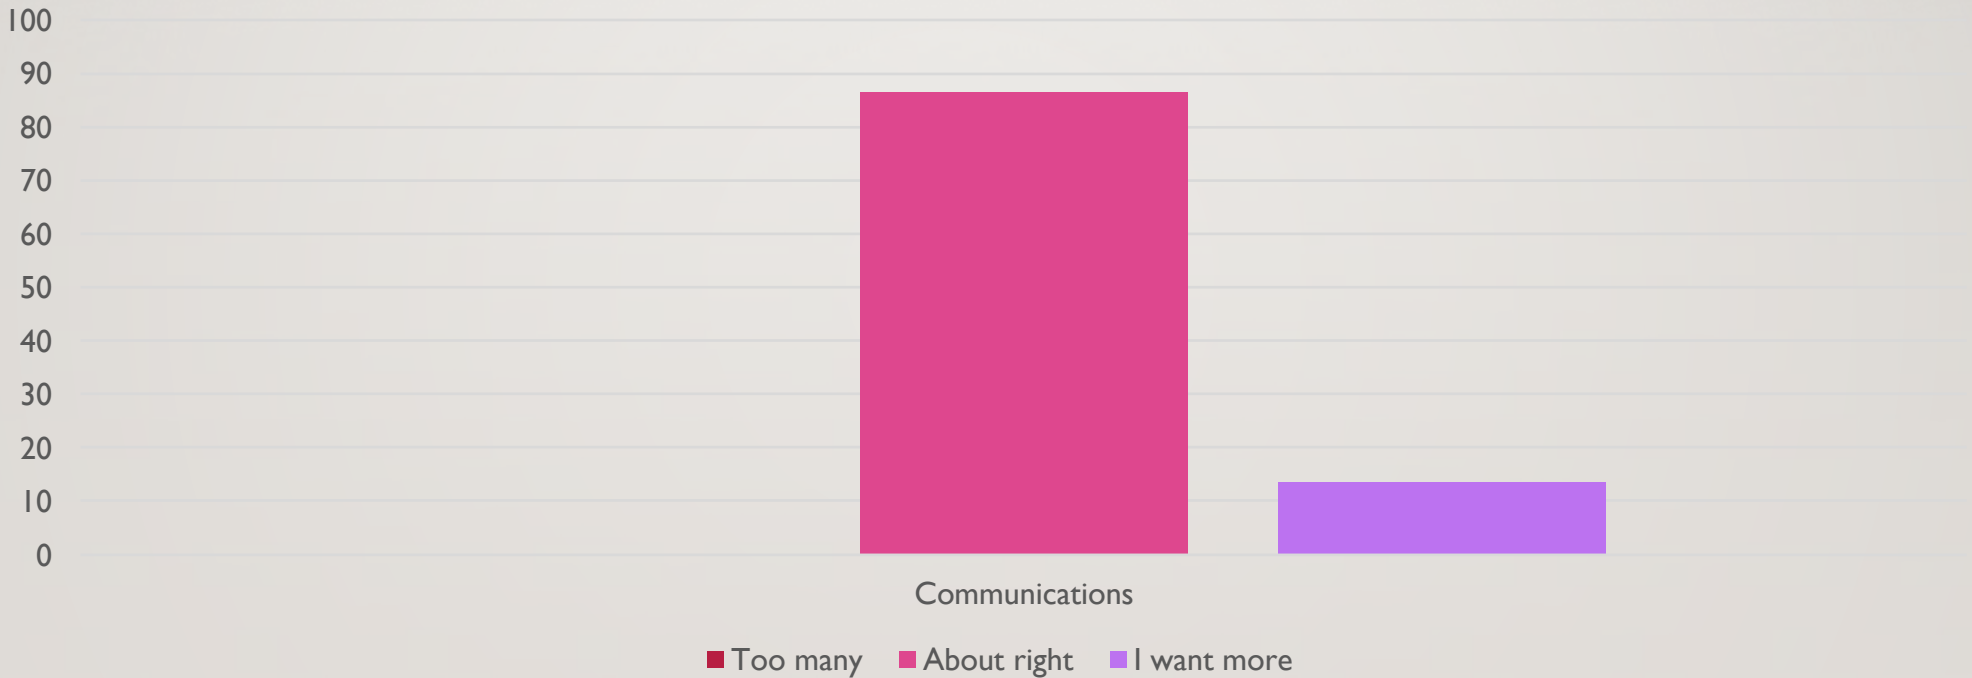

ASHFIELD LANE JUNCTION – EASY TO CROSS?

ASHFIELD LANE JUNCTION

- Some comments:
- The junction is a hazard
- This is an accident waiting to happen
- Traffic in both directions is obscured and too fast
- Cars on Ashfield Lane need to be slowed down at the junction
- Lack of visibility
- Much like any other junction!
